“ *May the good earth be soft under you
when you rest upon it,
and may it rest easy over you when,
at the last, you lay out under it,
And may it rest so lightly over you
that your soul may be out
from under it quickly,
and up, and off,
And be on its way to God*

and warm your heart and home.
May good and faithful friends be yours,
wherever you may roam.
May peace and plenty bless your world
with joy that long endures.
May all life's passing seasons
bring the best to you and yours!*

“ Dear Trish, It is such a pleasure to work with you here at Protection One, and your Dad had a lot to do with how well you turned out. Be thankful of the time you had with him and treasure those memories. I am happier to now know you and wish your days as a parent are as fulfilling as mine are with my daughter. Kindest Regards, Eric Vaughn Smith
