“ Growing up our family had been the only ones that moved away from Park Falls. Some of my fondest memories were going to visit many Aunts, Uncles, and Cousins. Many times I got to stay overnight with Uncle John, Aunt Carol, and their children, where I was always treated like one of their own. As an adult my work had me in Oshkosh for a few overnights. Uncle John and Aunt Carol again opened up their home to me as they were living there at that time, again treating me like one of their own. I could go on and on as I know many could the same. Uncle John is loved, will be missed, and will forever be in our hearts. Niece Leah Radlinger Juhlke

“ *We are so sorry for your loss. John was a very nice man and we enjoyed the time we were able to spend with him. Especially, the dinner at The Bavarian Bierhaus. Watching him have such a nice time, the food and music, talking to the dancers about their hats and jackets. John will be missed.*
