“ Mrs. Smith, I don't know if you would remember me or not but I was Karen Rehn and I was your neighbor when I was growing up. I always remember Mr. Smith and all the wonderful fishing and hunting stories he would tell us kids when we were little. Also, he would always let us come and see his rabbits. I was your paper girl for years. I have lots of fond memories of both you and Mr. Smith. I wanted to let you know that I am thinking and praying for you during this difficult time. I want to thank you for all the wonderful happy memories that helped shape me into the person I am today. You have my deepest sympathy. Karen (Rehn) Burkman

“ Shirley,  
We are so sorry to hear of Big John's passing. Will always remember the days in the mill working with him and his warm smile any time that he saw us. He touched many lives with his kindness. You are in our thoughts and prayers at this very difficult time.

“ Big John could always put a smile on your face. I will miss his visits on his morning walks and his glow when he would find the polished rocks on Main Street. Big John was always good for a camp story and to lend a hand when asked. He will be truly missed.
