“Joyce was a bright ray of sunshine on this earth. I can't think of a time when she wasn't smiling! She was cheerful and always ready for fun! She sure loved her family and was so proud! I will always remember her as my best friend's mom, as my mom's best friend, and as a loving mom and grandma. Dad loved having her as his nurse and respected her skills and input. She has been through so much and always looked ahead without complaints. She showed great strength and character. This world will miss her. Her body is now whole and well with Jesus.

*We love you!*
