“ I first met Judy when we were doing student teaching in Benton Harbor- St Jo.  
Judy and Faye were like old friends at Benton Harbor and ones you just never forget. I missed Judy's Christmas card and now I know why.

“ Sending our aloha to the Casanova family. My dad and Rifer were life-long friends. And my grandpa worked for Roger and Judy at the hardware store. Lot of fun memories at Hamilton Lakes. Rest in Peace, Judy.

“ Sending sympathy and love to all of you from all of us. It's hard to believe that Roger, Clyde and now Judy are all gone. Clyde always said if he could be reincarnated, he'd wanted to come back as one of Judy's dogs. He knew that would insure good care for him.

“ John and Mike, I am sorry to read of your mom's passing. She was special to me every time we met, but especially behind the counter with her astounding knowledge of what I needed and where in the store it was located...and always with a warm smile and pleasant conversation. Often it regarded our shared love of history and the story of Hall's Hardware. She was proud of what her grandpa had accomplished in Norway, and the future of the business in your capable hands. I will picture her behind that counter EVERY time I come into your store...and you know that's pretty often. May your wonderful memories, your faith, and the love of family and friends continue to support you.

Shalom, Bill Gay
