“ Dear Elaine and family,
I was so sad to read of June's passing. I had sent her a Christmas card, as I did every season, and it came back to me. I tried to forward it to her nursing home. I have such fond memories of my childhood with her and my grandfather. With enthusiasm and warmth, they always supported me and my studies and endeavors. I wish my own children, Evelyn, Phineas and Beatrix had gotten to meet and know her. My thoughts are with you all. Please know that I will miss her.
Best regards,
Hilary Der Yuen Bond (Doug's oldest daughter)
