“ *Kathy was such a huge part of my life growing up in Norway. I will never forget how awesome she was at speed skating. We had wonderful times down at the lakes as we shared time at the cottages. Kathy had such spirit. Sending lots of love to her family.*

“ *I remember growing up with Kathy who was a friend and cousin. We had alot of great times. She had so many natural talents; skating and gymnastics just to name a few. I'll never forget her beautiful red hair and pretty blue eyes. Her life was not easy. She did the best with what she had. I wish her and her family peace and happiness.*

“ *To Lisa and Jason, you both have my deepest sympathy. To Kathy's (Red) family, and friends, I am so sorry you had to lose her so soon. The memories are endless, my sisters and I spent much time with her when we were young, she was like another sister to me and we had more fun times than I can count. She had a great sense of humor and was a kind gal. She will be missed by many, she will rest in peace and I will think of her often until I see her again. Love you all, take care.*

“ So many memories of happy times spent at “Faul’s End of The Lake” with Kathy and family members. Lots of laughs and the usual cottage activities. Floating down the channel and of course getting rescued as it was soooooooooo far! Many hands of cards played in “The Porch” and sharing of stories old and new. What a cute laugh she was able to share with all of us. A heart of gold to be sure. My heart & prayers go out to Lisa, Jason all of the family members at this time. Peggy
