“ *Ken was such a great neighbor, we will miss his kindness and smile. He was always willing to lend a hand when we needed one. I remember times I would be looking for our son Al, and I would find him over talking with Ken, he always seemed to have time to answer Al's questions. I am sure Al was there to greet Ken at the gates of heaven ready to talk his ear off. He will be sadly missed. Thinking of you All*

“ *I will miss my dad so much, what a big hole this will be in our lives, he was so giving. Always buying things for the grand kids. He loved flowers. He lived with me for 6 months. I love you dad. So glad your not suffering anymore.*
