“ Dear Duane & “Moore Family Members”, I just wanted to express my sincere condolences at the news of Kim’s passing. Many years ago, the Phillips Family & the Moore Family spent a number of years camping together all over the Country, maybe Canada too. Kim was the oldest of us all and he always called me Andy Panda because he heard stories of my bear-like temper, which didn’t match my small size and appearance. I believe that’s how he chose Panda for my nickname. I remember thinking he was pretty cool because he owned a Chopper Motorcycle and he always seemed to be such a nice guy. I’m so sorry for your Loss and will always remember those days fondly. Love and Prayers for you ALL! 🙏
