“ I was fortunate to work for Dr Needham for 20 Years! I was his longest employee. He became a dear friend to Me and my family. He was so happy to help his patients in any way he could even if it wasn't related to their visit. He definitely was the smartest man I ever knew. He always had the best advice no matter what the situation was. I'll always treasure our talks and his advice. I'm going to miss him terribly. A wonderful man taken too soon. Terri and family I am so very sorry for your loss. Terri he always expressed how much he loved you to Denise and I. I'm here for you if you ever need to talk. Keeping you in my thoughts and prayers❤️

“ Dr Needham was the best boss I had the pleasure to work for. He called Nanci and I his peeps :) He had so many stories I could relate to. He helped me through a rough time in my life. I miss hearing his stories and his laugh. He cared about his patients and loved what he did. He was very kind~ I was blessed to have had him in my life.
