“ I will hold tight to all the memories I had with Sis and cherish always our visits and "pepperoni pizza" that she so looked forward to with me at Victorian Pines and Florence Health Services. Sis was a very dear friend of my mom, Lenore Waeghe, and couldn't be more thankful for her and your dad for all the visits they made before she passed away. She was my stand in mom after I lost my own mom and I was grateful for the love we shared....She was a great friend and I will miss our times together.

David she also talked alot about you, Pete, and the other neighborhood guys that would play baseball in the yard....her two favorite things she'd say were, "Peter Peter Pumpkin Eater" and she'd laugh and remind me to tell Pete hello! Also when we talked about Alfio, it would always be "Alfio Vielmetti eat your spaghetti!"

She was ready to go to Heaven for awhile now and I am sure she is at peace.

I am Rosemary's daughter Tammy. Vielmetti's were on my paper route on Norway Street. They were always so kind and friendly. I loved seeing Sis with my Gramma Lenore and Uncle Sonny. They all sure knew how to have a good time. I will cherish all the laughs we had. She was always smiling! Sorry for your loss!
