“ *My condolences to your entire family. I will never forget all of the stories and wealth of knowledge your Dad loved to share with myself and my Dad at his kitchen table over a cup of coffee. Coming from Ohio meant only getting up there a few times a year but we always made it a point to go see Loren, he will be missed!!!*

“ *You all have my deepest sympathies in the loss of your wonderful dad. I have the most respect for this man growing up. We as children (Ricky) always brought a mechanical problem to him we knew he could fix. My thoughts, prayers go with you through this difficult time. May God give you his peace and comfort.*
