“ *To the Rasmussen family-
I didn't know your Mother for the length of years Jim LaFreniere did,
but from the short amount of time I did get to know both of your
parents, and from what Jim shared with me, your Mom was an
incredible person.*

*Jim told me the story of many years ago, their home was virtually
the back lot of our dealership, and your Mom hand-dug a ditch so
the water from their gutters would not drain water onto the lot.*

Your Mom did the digging, and your Dad did the watching!

Great memories, and I was glad to know your parents.

Very sorry for your loss.
