“ We would like to express our deepest condolences to the Kling families. We got to know this beautiful lady when she was working for North Dickinson School. My husband, Bill, was working at the school with Community Schools. Lucille was always soft spoken, sweet and kind with both the staff and the students. She always had a smile or something nice to say. She was an excellent co-worker and will be dearly missed by everyone. Due to Bill's brother heart surgery in Indiana we are sadly unable to attend Lucille's passing and celebration of her life. So, we wanted to extend our sincere sympathy to all your family and our prayers go out to you all during this most difficult time. Lucille was very special to us and everyone else she touched with her loving spirit. Sincerely with love, Bill and Linda Bell
