“When someone we love becomes a memory,
Their memory becomes a treasure,
Always and forever in our hearts....”

I will always treasure the times we spent together and especially the "Best ice cream sundaes" you ever had that I'd bring for treats when I knew I was going to be in trouble for missing a few visits! You were always so happy to see me and made me feel very important. Remember your promise of giving my mom a hug and know that my visiting at Evergreen just isn't the same since the Lord took you home.....I miss you Auntie, but I know that you are finally at peace and that Uncle Art and your siblings were waiting for you as you entered heaven. I'm sure there was pizza and beer also!

Lots of Love, Rosemary and family
