“ To Lynne's family,
I want to extend my sympathy to each and every one of you, for the loss of your dear Mother, Grandmother, sister and Aunt. I have known Lynne for all of my life, growing up with her in Centennial, going through all of our school years together, just living down the road from her. We had so much fun together making memories, I will never forget them. As we both married we grew apart, as we do sometimes in life, but our friendship never ended. Last summer at our 40th HS Class reunion, we were brought together, after many years of being apart. Lynne shared her illness with me and I hugged her, so tightly, and then she hugged me as I told her about the death of my 14 year old daughter. We didn't have to say too much at this time, we just held each other and listened. Lynne was so proud to show me her family pictures, her children and her grandchildren, they were and are the loves of her life. We went on sharing stories, remembering times and just being glad to be together, and how blessed I was to have this time with her. I know she is having the time of her life now, reuniting with her dear husband, her parents and sister Christine. Just know, that your Mom will be always be looking over you from above, she will be standing their to wipe away those tears, and when you least expect it, she will come to you in some way, just believe. God Bless.

Your forever friend,
