ME

“ Today I heard of Maimes passing. I treasured our times together. She was the light in a tunnel, the calm after the storm. She had an infectious smile and laugh which could make your heart warm. And then there was her devious chuckle of her remembering her past. I thank GOD for the times he gave me with her and pray her family finds peace with their memories.

“ We are saddened to hear of Maime's death. She was a dear friend of June Weeks. They shared many laughs about their escapades when they were young girls. We also have our memories of Maime, such as the many lunches we shared at Happy Italians after church every Sunday. She was a lady who could make you laugh. Thank you Maime for sharing your humor and wisdom with us.
