“ Peg really touched the Krause family, especially when Mike contracted meningitis. While Mike was in St. Mary's Hospital, Peg sent balloons, cards and prayers. When Mike was able to return home, she continued to show her support with visits, gifts and her beautiful smile. Mike lost his hearing, but Peg was able to communicate so well with him and give him encouragement. The family called her one of our angels. My love and prayers to your family. I am sorry I couldn't make the memorial mass. God Bless, Mary Ann, Mike, and family.

“ How do I tell you how much this women meant to me? She was the best with conversations about everything and nothing....I am content knowing that I was your favorite nurse at Dr Zevitz office....I loved how you would go to a chiropractor appointment with Dr Murvich and then come to our office to give me a hug, and you gave the best teddy bear hugs ever...I remember the 4th of July 2019 when you invited me and my husband to come to your house to watch the fireworks 🎆 and they were truly the best! I loved our movie nights of "westerns" on Grit TV. We had "crafts" in common and I loved watching you with you embroidery attachment on your sewing machine 😊❤️. I felt sad when on your birthday you needed to go to the hospital and if I would have known that that would be the last time I would ever see you, I wouldn't have let you go...I didn't get to have your birthday party that I had planned and you didn't get my beautiful card and angel figurine that I had for you 😞. The card reads, "Angels, they are there for us when we need them most, and they bless our lives simply by their presence...I know this because You are one of mine. Happy Birthday, Love, Candy". You now truly are my angel watching over me❤️❤️❤️ I love you Dearest Peg and my Margaret, as you knew how much I loved your name...until we meet again I hold you in my heart ❤️ forever...

“ Peg was a year older than me. She certainly was a dear with an infectious smile...always so friendly whenever I'd see her. I remember back in the 70's I was taking graduate classes at NMU and Peg was one of my suite mates in the dorm that summer. She was a great gal. My condolences to your families.

“ Loved working as an aide with Peg at Pembine. A delightful lady with spunk, she gave her students and staff much encouragement to do their best. Peg created a pleasant school environment. Her example of having her students make Christmas crafts and sell them was a great confidence builder and so much fun!! Learning from Peg was a great experience I've treasured. A true joy to share time together and she made each one feel special. You were blessed by her presence!!

I'm sorry for your loss of Peg a precious woman. Sincerely, Debra Vanderwarf

“ *My condolences to Peg's family. I had the privilege of working one summer at the camp Peg ran in Wisconsin. I learned a great deal from her; mostly, how to show grace under pressure. Always a smile.*
