“ I met this amazing woman for the first time at the funeral home where her son Jeff was. She knew me in an instant and said, you are my boys best friend - we hugged and didn't let go. Jeff was the world to me and I take flowers at least six times a year to his gravesite; I promised Marie this. A flower from her, Matt and myself. I am at such a loss; numb from pain and confused why such a glorious woman has left us. I shall still take flowers from you Marie, always have you in my heart, and continue prayers for your beautiful family. With love.....
