“ Jean and family, so sorry to hear about the loss of your mother. As children, we don't always think about our parents leaving us for good; when it happens, especially unexpectedly, the finality can be painful. I'm praying for peace and strength for you and your siblings in the days ahead. Hugs, my friend.

“ *Jean I'm sorry to hear of your mom's passing. I'm sure she'll be missed and we'll keep your family in our prayers. We have another thing in common now with both losing our moms recently. I see she was from Norway. I'm not sure if I mentioned my Uncle Joe Giannunzio is also from there. You take care.*
