“ Please know that we are very saddened by your Mom's passing. I remember our many visits, wether it be at the kitchen table, the backyard or just talking in the driveway, we always shared a laugh and a story or two. She was a kind and gentle soul and I too, shall miss her. Bless you all.

“ A wonderful person and always the gracious host, Mrs. Lorenzoni welcomed us many times to the family deer camp. Her genuine hospitality and delicious “camp chile” will always be remembered by my sons and me. Marie was a tireless worker and independent spirit whose generosity and kindness was matched only by that of her husband, Wally, and children, all of whom I've had the pleasure to have known over the years. Her courage and dignity in dealing with her illness is truly admirable and she will be fondly remembered by everyone whose lives she has touched..
