“ I'm so sorry for this loss...this woman was like a mother to me. She took my family in as hers. She cared for my cats when I had nowhere to keep them. I will miss her madly. So very glad Tom brought her up to bring my sick pup aspirin. Got to give her a huge fantastic hug. That will always be how I will remember her. So happy, generous and full of life. I love you all, my extended family, and am here always, no matter what.
