“ To all my cousins... Auntie Marie was a gem, a very classy, smart & beautiful woman. I'll always remember her beautifully hand-written letters and cards, some of which I have saved in a treasure box. She was the heart and soul of the family and tried hard to keep everyone connected. An inspiration for all of us left to carry on. Love Jackie & Mike Gianunzio

My grandmother was a loving, special lady who loved her family above all else. My fondest memories of her were during hunting season, when Grandpa would be out at camp and I would sleep with Grandma, just the two of us, and she would tell me stories about her life.
