“ Carly, I am so sorry for your loss. Matt was one of the first friends I made when I moved to the area around 2008/9. He was someone who always came across as authentic and was one of the funniest people I have ever met. On top of that he was someone who was very much a good soul. You'll be very much missed my brother.

“ Carly, I am so sorry for your loss. I worked at Walgreen's for a few months in late 2017 and early 2018 when I first moved to the area, and I met you one cold and wintry night after Matt and I had closed the store. Working with Matt was literally always a pleasure; he was so good-natured, friendly, and kind. Again, I am so sorry for your loss.
