“ So blessed to have known Merrilee this last year. She was filled with gratitude in her faith journey (as a recent Catholic convert) and experienced great graces and joy as she greeted all residents at CPHC daily by sharing her love, kindness and artistic skill in coloring ‘pictures’ with them. Marilee shared her faith, friendship and love of Christ w/ as many residents as she could.

Eternal rest grant unto you Marilee and may Gods perpetual light shine upon you as you rest in peace. Amen. 🙏
