“ *Eric and family, I just heard the news. I am so, so sorry for you loss.*

I never had the pleasure of meeting your mom in person, but from what you shared and what I know about you, she sure was an awesome mom.

At this very painful time, may you find comfort surrounded by the love of your family and friends. May her memory be eternal, and may you be blessed to hear her laughter in moments of joy.

*With heart-felt condolences,
your bus-driving friend,
Laurel*
