“ To the Family of Patty:

Please accept my condolences at this very sad time.

I came to know this sweet, kind, sincere, soft spoken gal when she moved to North Dickinson way back in the early 1980's. Painfully shy in the beginning, she eventually opened up to us and we loved her for all the reasons I mentioned. Patty always had a smile.

About 8 years ago, my father was terminally ill at the V.A. and I happened to run into Patty there. We had a great visit and I was so happy to reconnect with her after being our losing touch after Graduation and sure enough...she was still the sweet, sincere smiling gal I remembered. I was so proud of her for all of her accomplishments at the V.A. 30+ years...that is fantastic!

I am so sorry for your loss. She certainly was a very special person.
