“ Dear Don & all of Pat's family,
We offer our deepest sympathies on your loss. While growing up in Racine & having Neil as one of my best friends, I always felt a part of their family. Whether it be holidays or other special occasions, I was invited to the activities. When Neil was working in the bar/restaurant business, you & Pat came to visit, and I enjoyed your company. Whenever I needed a place to stay while visiting Milw., Pat offered her condo, I listened to all the clocks & Pat even made us breakfast. Pat was an important part of my life and I will always treasure the memories of her. Love, Chuck
