

Randi W. Treves

August 29, 1945 - October 3, 2018

NORWAY- Randi “Hannah” W. Treves, age 73, of Norway, entered eternal life October 3, 2018 at her home, surrounded by her family.

Randi was born in Blackpool, England on August 29, 1945 the daughter of the late Martin and Janet (Murgatroyd) Olsen.

Randi graduated from Norway High School and proceeded to study nursing, graduating from Saint Luke’s Hospital Class of 1966 with her Bachelor of Science in Nursing, where Randi was voted “best sense of humor” amongst her peers. She spent her career working as a registered nurse in multiple different areas throughout Michigan.

A dedicated member of the community, Randi spent her time in the Association of the 82nd Airborne, where she devoted a portion of her life to assisting in the care of soldiers overseas by sending over 10,000 care packages during her time as a member of the association.

Due to her will to always help those who need it, Randi spent a great deal of time and worked tremendously to help those with disabilities in the area by advocating and fighting for those with special needs.

Randi loved music and was a gifted pianist. She enjoyed playing for

community social events, weddings, and for our veterans at the local hospital. She also played for several area churches, Bethany Lutheran Church of Norway and for nearly twenty years at St Barbara Church in Vulcan. Her musical talent was both beautiful and emotional. When she played Schubert's Ave Maria it could bring tears to your eyes.

Randi married Roger J. Treves JR, the love of her life, on August 14, 1999. He preceded her in death on January 28, 2007

Randi is survived by her four daughters Bridget (Mike) Finn, Mary Margaret Racine, Rachelle (Jeff Goudreau) Churette, all of Norway and Theresa (Donny) Peterson, of Iron Mountain; her two sons SFC Michael (Nikohl) Churette of Clarksville, TN, and Christopher Racine of Provincetown, MA; grandchildren CPL Donny Houle, Brett John Houle, Joey Bourg, Cameron Gatien, Hailey and Lucas Churette, Brett & Tori Finn, Jeremy (Ashley) Mack, Aria & Nora Peterson; a brother Rob (Linda Bassler) Olsen; a nephew Matthew Olsen; a great-nephew Miles Olsen; a great niece Matilda Olsen; and close friends Judy Lindquist and Wendy Ray.

“ *Randi and I were friends and classmates. We had many parties and built homecoming floats in her garage. Roger was a close friend thru high school and I visited the two of them on Treves Road on many occasions when I was up to Norway. The last several years I would visit her in the old hospital and talk about the old days, our families and review pictures I had taken at our classmate lunches which she was unable to attend. She will be missed, but she certainly left the world a better police. I know you are happily reunited with Roger but I will miss you.*

For many years Randi and I did not like each other. Until the day she was hired at ManorCare in Kingsford. Deb French insisted I train Randi which was crazy being Randi was an R N. and I was an L.P.N. But it turned out to be a good thing, because we figured out why we did not like each other for years. We decided it was funny how it turned out and we became good friends after that. She went with me to a Dr Appointment because she knew all about Lupus and I was confident she would be a great help to me to make a right decision. So later on in life I took her to Dr. appointment's. You never knew what she was going to do or say and that is what I loved most about her . Her laugh was contagious. I will miss her. Rest in peace Randi
