Remembering Ricky as one of the "neighborhood gang" and the shenanigans we were part of. So much fun was shared by all! May you find peace in the memories you cherish. It is with sorrow that I am thinking of you all. Caring thoughts to you now and as you travel through your grief.

Rick was never afraid of hard work, watched him build a log cabin by himself. My condolences to his family, God bless.

I had enjoyed talking and working with Rick at Multi-Color Corp in Norway for many years.

I found it amusing that we hunted grouse on the exact same road in the Gibbs City area by Iron River.

My condolences to his family. He will be missed.
