“ I am so sorry for your loss. I knew mr. phillips from delivering propane to his house. He would always meet me at the door and insist that I come in and visit for a little while. He reminded me alot of my own grandpa. We always talked about hunting and fishing, and about how things were when he was a kid growing up in loreto. I sure will miss seeing him every month, and miss his stories.

“ My condolences to your family. My Uncle Glenn was a close friend and neighbor. I saw Flap often on my visits up north. He borrowed tools to us when we needed help, gave us lots of great advice. We enjoyed visiting with him as well. He was a great guy and will be missed.
