“ Your leaving this earth has been a blow and very disheartening. Will miss chatting with you when seeing you on my walk or having a laugh over a beer at Mr. Moms when my sister visited. Enjoyed your mild-mannered, gentle humor, & listening to you talk about the love you had for your kids, "grans", and appreciation for your family. Especially Debbie and Jim. It'll be hard not seeing you walking on Main St. or out in your yard.

My caring thoughts are with your family. Things won't be the same without you.

Up to heaven you go my friend with your parents ...

Take care ALL... May your good memories sustain you on your path of grief.

“ *Bob was one of the first people that I met when I moved to Norway. He was always so friendly, and he seemed to never have a bad day...with his upbeat attitude.*

My deepest condolences go to his family!
