Tribute Wall

“ I knew Ron back in California, and we shared a lot of great times watching Laker games together. We'd ride our motorcycles into the parking lot, in a way that only motorcycles can do, and take our seats to watch some of the greatest players in NBA history.

Beyond being fans, we spent countless hours on the court ourselves, and Ron was an outstanding player. Being young in L.A. in the '80s was an unforgettable experience. And I counted Ron as a good friend. Barb, I'm so sorry for your loss.
