“ *I remember helping Tom decorate the house for Christmas a couple times years ago. Well, little did I realize how much Rosalyn liked to decorate not just the inside of the house, but the entire outside of the house including the yard! I had never seen so many Christmas decorations in my life, all stored up in the garage loft area! After 2 days of pulling down decorations, using a tape measure to string the lights exactly 2” apart on the outside of the house, in freezing cold, I then had a new meaning to Christmas from dear Rosalyn! Needless to say, she was the best supervisor and loved the outcome how wonderful everything looked! I also want to add how I have enjoyed being a pen pal with Rosalyn, the nice cards and notes have meant a lot. Rest In Peace Rosalyn, and never stop rooting for the Packers!*
