“ Sweet Rose Mauro. May you rest in peace. Just found this on line when I seached for your name. You were great friends with my Great Aunt Margaret Flowers of Detroit, MI. We use to talk to you and your mom Jenny on the phone for many years after you both retired from Chrysler. You and Margaret started the same day there and became friends instantly. I use to send a Christmas letter to you for years after my aunt passed away. You were so kind. Rest in Peace Rose. Condolences to the family, Love and memories; Susan M. McInnes of Shelby Township, MI.
