“ I'm really going to miss my great grandma! She was always around while I was growing up. When I was born, she said I was her "Miss America". I will never forget that! She was so happy & loved to be with her family. This is so hard right now for everyone close to her but I know she is in a better place. She had a good, long life. I'm really going to miss her & I'll be thinking of her every single day & know that she is always here with me in my heart. I love you SO MUCH great grandma!

“ My prayers and thoughts are with all of you at this sad time. I remember the many happy times we had as children, visiting at your house and picking beans! They were good times. Your mom was always a nice lady, and she will be missed.
With deepest sympathy, Ember (Patterson) Rickaby
