“ Tammy and I were close friends in high school and spend time hanging out together, going to games and concerts. We went to Beaver’s camp many times. I have some wonderful memories of our time together, even if it was just sitting in her bedroom talking. We worked together at Ebeling’s too.

Tammy was a genuine friend. She was very sweet and good hearted. I don’t have my pictures with me to post. Otherwise, I would share them. Unfortunately, I am not able to attend the visitation this evening due to work commitments. We were blessed to have Tammy in our lives. Sending prayers and love. 🙏 ~ Barb Frechette

“ Grateful for hockey, for knowing Tammy, for all the memories throughout the years at the rink, well, many rinks at that! My kids will always remember the "snowman poop" snack she made for the kids to share.....

I will always remember her smile, the laughs and her easy-going attitude regarding life.... - Tami Juul
