“ Terrence was always kind to me and mine. I remember when I first met Wig in 1998 on a family trip to Yosemite. He will always be a fond memory in my heart and I hope he passes on to a kind and merciful creator in the afterlife. God bless him.

“ Our sincere sympathy for Brenda and her family in the passing of her husband, father of Terry and all grandchildren. Terry, Wig as we all know him was absolutely one of our favorite friends. He had a sense of humor that was never ending. We have many, many wonderful memories of our vacations together which we will never forget. Brenda and Terry last visited us at our home in KY. in March, he teased he would stay until July if we would let him, I wish they would or could have, we loved his and Brenda's company! We will miss him dearly as we know all who knew him will also. We love you Wig!
