“ I know how dearly Tim was loved. I am sorry to learn of his death. My thoughts are with his family. I take comfort in the belief that he has been reunited with those who passed before him--his mother, "Nana," and his sister, Eileen.

“ Tim was a great man,I've known Tim for many years we spent a lot of time with Tim and his family when we were raising our children. Tim and Dicky worked together so we did a lot together. I'm very sorry I had to miss Tims funeral, I was taking care of an elderly man so I was unable to go.Tammy and Danny I want you to know you along with the rest of the Kelly family were in my thoughts and prayers. As much as Tim will be missed he is in a better place,no more pain. Maybe him and Dick will catch up on a few things.God Bless all of you during this hard time. Diana

“ To the family of Tim, I am deeply saddened by his passing and you all have my deepest sympathy. I actually got to know Tim more in the last year and enjoyed his company very much. He lightened my day and always made me laugh. To his friends, in which he many, I like you all are in disbelief that he is gone however he is in a very good place with his son, mom, and sister. Until we see him again, he will be with us in spirit always.

*“ To Tim's Family and Friends, you left behind wonderful memories with so many people, whenever you would see me you always said hello, you would go out of your way to talk to people. You fought this battle with all your might and still kept a wonderful attitude. No more suffering, but to be home with your Lord and Savior and family in Heaven. God Speed and your family are in our thoughts and prayers as they go through the grieving process. Sincere and heartfelt sympathy to you all.
