“ *To my loving husband. I loved you so much and I miss you more with each passing moment. I am so glad that I was able to spend my life with you. I wrote a poem for you. It is titled Loving Embrace. I miss that special smile you had on your face as I stand here idly waiting for that loving embrace. I miss that fiery twinkle you had in your eyes as you gazed up happily into the starry moonlight sky. As I stand here sadly waiting for that loving embrace I know you've moved on to a more happier place "Heaven" surrounded by Gods angels and his loving embrace. I love you honey.*
