“ I remember Vi Stank fondly. For many years we worked together at Perry Norway. We were both machine operators, and we sat across from each other in the lunch room, sharing news, gossip and stories. I am saddened by her passing. She was a lady of great quality and insight.

“ My condolences to Susie and family and to Violet's niece, Pat Rossi of Muncie, Indiana and nephew, Bill Frehse of Loretto. I was visiting Norway with Pat about four years ago and we took Violet and my aunt out to lunch. We had a great time and many laughs. She was fun to be with. I visited her in the nursing home when I came to Norway and in those times found that her memory was still very sharp and she still had a great sense of humor. I'm originally from Loretto so I know Violet and family forever! She was a good friend and will be missed.

I'm so lucky to have been able to meet you and have you a part of my life. I will miss your stories and your sense of humor. No matter how rough a day (for you) you still managed to make someone smile. I ended up just loving you dearly and you will truly be missed! I will miss everything about you my friend. But I know your comfortable and exactly where you want to be. R.I.P Vi! I love you

“ Violet,
*I will never forget the weekend we spent together, as the rest of your family traveled down state. I was able to get to know the truly remarkable person you were. The love and pride you have for your family was truly inspiring. The way you lived your life was a true gift to those of us around you. I consider it a privilege to have known you and to have called you grandma and friend.
I pray that God and his angels will hold you close as you make your way into heaven. Thank you for being a part of my life and my families life. You will always be a beautiful blessing to me and I will never forget you.
I love you grandma,
