“ Mrs. Carlson was no doubt the most influential teacher I ever had--and I had her for three years, a split grade each time (4th-5th, 5th-6th, 6th-5th). My three excellent years with her at Converse Elementary in Beloit, WI, shaped everything else, up to and including my PhD in communication. Thank you, Mrs. Carlson!

“ I remember her well. She was the Principle at Royce Elementary school while I was a student there. She was a great person.

“ Our condolences to you... Miles & Barb, Alex, Inger and your family. Virginia was the closest person to a sister my mom ever had. We have great memories of Virginia & Ray visiting mom & dad in Florida, and here in Beloit. We will miss them very much. Praying God's comfort for you during this time.

“ I believe Mrs. Carlson was my teacher at Strong School in Beloit WI. If I recall correctly, she taught me when I was in third grade. I am now 71 years old and I still remember her kind smile, her patience and the fun I had in third grade because she was the teacher. I am very sad to hear about her passing. You have my sincere condolences. May God Bless. Sincerely Kathryn Lomax

“ *Miles and family - My deepest sympathy to your entire family. Your mom was my 4th grade teacher at Converse and I remember her bringing you with her to school at times. Our paths crossed years later as she came into the pharmacy that I worked at for years. One day, it was Nat'l Teacher Appreciation Day and it was suggested that you tell a teacher that mattered - that they mattered. She came into the pharmacy that day and I told her she was my FAVORITE teacher and she just smiled. She was so special to me and I share your sorrow over her loss. I visited her a time or two at their home off Shopiere Rd. Again, my condolences to all - she will be missed. Hugs and prayers to all -*
