“ Hi Sharon, Mike and Mark! I am so sorry to hear of your mom. I guess it was time for her to quit fighting and take piece in going by Uncle Almo and the rest of her family. She was a kind and gentle person and I loved her very much. It's too bad our families were'nt much closer, but it was great when we did get together. I am sure your mom is smiling down on all of you with much love. Take care and God Bless you all and I am looking forward to the memorial so we can see each other again. Hope to stay in touch. Love always,  
Patsy
